

Dear Parents,

St. Louis School has a strong history of parental benevolence. The generous support of parent involvement provides for enhancements to the educational, spiritual, and goodwill opportunities for all of our children. Volunteering also forges connections with other parents, resulting in new friendships and positive experiences. We are confident that every family can find an opportunity that fits their schedule and interests. No contribution of time or talent is too small. Please consider joining us and working together as a community to help lead or co-lead these special events which strongly contribute to the special and unique environment that we have here at St. Louis School.

*****Please note that the grade indicated in parenthesis represents the students responsible for leading that specific school event. If no grade is indicated, the event is recognized school wide, in which all grades participate.***

Veterans' Day Prayer Service, November 10, 2015 (Grades 2 & 3): Coordinate Veteran speaker for our afternoon prayer service. Arrange reception for after service in the Parish Meeting Hall including set up and clean up.

Thanksgiving Food Drive, November 16-19, 2015 (Grade 4): Coordinate collection of food items from each grade for Thanksgiving dinners for needy families in our community.

Ice Cream Social, January 28, 2016: Plan and coordinate the annual ice cream social for all of our school families including food, decorations, games & activities. Everyone really enjoys this evening.

"Souper" Bowl Friday, January 29, 2016: Coordinate the collection and delivery of soup cans to the Pittsford Food Cupboard for families in need.

Heart & Home, April 27 & 28, 2016 (Grade 5): Organize volunteers to coordinate the collection of, and distribution of used household goods, toys and clothing from St. Louis families. Duties include contacting local agencies, sorting goods, and coordinating deliveries. This service project is well recognized as a positive and rewarding experience for our fifth grade students as they are heavily involved with all aspects of this event.

Sunshine Luncheon, May 26, 2016 (Grade 5): Support the work of St. Louis Parish in organizing a luncheon for the local senior citizens. Fifth grade students are directly involved in this event by serving food and attending to the needs of the invitees.

Thank you to everyone who has already volunteered to help make this school year fabulous!

If you are interested please contact us,

Sincerely,

Parent Involvement Committee (PIC)
