

Mission Day

May 23, 2019

Mission Day is St. Louis School's Annual fundraiser for our sister school in Kenya. Under the leadership of myself, the 4th and 5th grade teachers and their classes, the gym will be transformed into a carnival of games, prizes, raffles, and tables full of goodies. Every year we raise money to help our brothers and sisters in Africa. With your help, this year will be the best ever!!!

Our **Mission Day** committee is looking for your help! We need volunteers to help with set up/clean up, providing assistance running the sale during lunch hours, raffle donations, and packaged food/beverage donations.

What do I need to know about Mission Day?

- This year students will be able to purchase a St. Louis bracelet for \$10 that will allow them to play an unlimited amount of games while they are in the gym (they can keep this bracelet). In addition, they will pay \$5 for 10 tickets that they can be used to purchase food, prizes, or to take a chance on larger raffle items. Students may purchase more than 10 tickets to increase their raffle chances or to be used for other prizes and food (Each additional 10 tickets is \$5). Tickets will go on sale two weeks before Mission Day.
- We will have a sign up genius available for people to sign up to bring in different food or beverages. We will be looking to have the food/beverage dropped off between 5/16-5/22.
- We are looking for people to donate larger items that the students can win through our raffle. We received a number of generous prizes last year. Examples were: surfboard, bills jersey, Lego sets, gift cards. We will be looking to have those prizes dropped off between 5/16-5/22.
- Set up/clean up - This group will help set up and clean up the gym. We are also looking for people to help run the food and prize table (collect tickets and hand out prizes). On Mission Day, set up will begin at 9:45 and clean up at 2:20. During the day we are looking for volunteers to work shifts at the tables (any amount of time is fine, generally 2 hour shifts.)
- Please be on the lookout in the next week for a Mission Day SignUp Genius. This signup will include slots for volunteers to sign up for food/beverages, raffle prizes, set up/clean up, and shifts at the prize table. Please consider signing up!

Thank you all for your help toward this amazing mission. I am so excited to be a part of such an amazing cause and can't wait to see this great event come together!!
